

ECONOMIC LITERACY

Through Economic Literacy, **girls learn about money and the economy, including how to manage, invest, and save money!** As girls explore, they learn how the economy affects everyone locally and globally, while they develop skills critical to being financially savvy and to becoming economically independent adults.

Women constitute half of the American workforce, but only earn **.77cents** for every dollar earned by their male counterparts!

**WITH YOU IN HER CORNER,
SHE WILL SUCCEED.**
